

## Senior Co-Curriculum Global Placement Application 2021-2022

**DIRECTIONS:** Complete this application if you are a rising senior and you want to apply for a remote internship. Turn completed form in with your course registration materials by **Friday, March 12**. Completing this application does not mean that the request for a remote placement has been approved. Submit with this application a brief letter describing the proposed internship experience completed by you or the placement supervisor. After your application is submitted, you will have a required in-person interview with the Co-Curriculum Office. Student must be in in good standing with all offices before approval is granted.

## Senior Remote Co-Curriculum Personal Statement

In the space below, please answer the following questions.

- Why do you want to work at this placement?
- How do you plan to manage your capstone work remotely?
- Why is working remotely necessary for this experience? In other words, why would a similar internship in the greater DC area not suffice?
