

College acceptances, 2013–2018

* denotes a Madeira enrollment

MADEIRA

A Madeira education is unique, and so is the college journey. College Counselors work individually with each student to identify options that align with interests, values, and career goals. Careful planning ensures a smooth process. Madeira fosters confident risk-takers and self-assessment. Identifying college options that guide each senior to the next challenge is a process and a priority.

The University of Alabama*	University of California, Los Angeles*	Drexel University*
