

Madeira Middle School Riding Application

Applicant (rider's) Name:

Applicant Birth Date and Grade:

Parent Names:

Address:

Email Address (Parent):

Contact information (e-mail addresses, phone numbers, etc. for each parent and applicant. Please specify which person each number/e-mail address belongs to):

Please answer the following questions, providing as much relevant detail as possible.

1. How long has the applicant been riding?
2. Is the applicant currently enrolled in riding lessons? Where/with whom/how often does she ride?
3. What jumping experience does the applicant have? What height is she currently jumping in lessons?
4. Does the applicant have any show experience? If yes, what types of shows, divisions, and/or heights has she competed in? What horse(s) has she competed on – for example: a horse she owned, leased, borrowed, or school horse she took lessons on? Please include her # for any of the associations that she is registered with (for example: the USEF, USHJA, VHSA, or MHSA).
5. What are the applicant's riding goals for the future?
6. Why is the applicant interested in riding at Madeira?

Before being accepted into the Madeira riding program, each rider will need to either submit a short video of their riding skills or take an evaluation lesson. Videos are preferred. Videos can be just a few minutes long of either horse show round or part of a lesson at home. Videos should be recent (within several months), but do not need to be made specifically for this purpose. We just need to get a sense of each student's riding level. YouTube links are preferred to e-mail attachments as our inbox's have a size limit.

7. Do you plan to submit a video or schedule an evaluation lesson?
8. Is there any other information we should know about the applicant or their family?
